# GIFT OF HAPPINESS FOUNDATION

**Dedicated to helping poor children and families in Thailand**

## **About Us.**

The idea of starting this charity was born in 1992 by British and Swedish born circus performers, Mr & Mrs Eddie & Charlotte Haworth when they ran circus training workshops for disadvantaged kids in Liverpool, UK.

In 2000, Eddie was invited to perform at a charity event held at the British Embassy in Bangkok, Thailand. Following that performance and a few more for the slum kids in Bangkok, it was quickly decided to bring more gifts of laughter and educational entertainment to orphans and poor families in Thailand.

Now supported by a team of dedicated volunteers, Gift of Happiness Foundation is not tied to supporting just a few children at only one location. Therefore, this unique charity has the freedom to provide joy to thousands of children in urban and remote locations throughout the country.

## **What we actually do.**

The Foundation regularly gives simple interactive and educational comedy shows to those whose lives quite often contain little joy. We also give away tons of essential goods during our aid giving projects, delivered where it's needed most and at least once every month of the year.

## **Who we help.**

Orphans, vulnerable street children, Bangkok slum dwellers, families living on garbage dumps, AIDS centres and facilities housing physically or mentally challenged children. We regularly serve medical centres, crisis centres for abused women, communities of migrant worker families and people displaced by civil war who live in refugee camps.

## **What we actually give.**

The charity gives children and their family's basic necessities like clothing, bedding, medical supplies, educational equipment, toys, agricultural tools and tons more useful goods. The children always get to see a top class professional comedy show to leave them with a fantastic memory that no-one can ever steal from them!

## **Here's how you can help.**

If you have any unwanted clothing, bedding, toys, school supplies, household items, etc., we would be pleased to accept them for redistribution to those in need. You can also buy new essentials (*via our website*) for children who have no one else to provide such important things.

## **The Bangkok Charity Warehouse**

We accept all manner of goods except for large furniture. There are several drop-off points in Bangkok where you may leave donations or we may be able to collect when necessary 'Donating-Goods' [www.gohappiness.org](http://www.gohappiness.org)

## **Want to help our small but very effective charity?**

Volunteers are always needed and of course, giving just whatever money you can afford will also help us continue doing the important job of providing so much happiness and essential goods to so many needy people in Thailand.

**Thank you.**
